Dear Parents and H1 Students

Re: H1 students and their AS and A Level results

The following passage is copied from the CAIE (Cambridge) news and notices pages (April 22<sup>nd</sup>, 2020) and it is significant for all H1 students to fully understand...

*"Students who enter for AS Level and receive a grade from the June 2020 series may choose to:*

- take only the second stage (A2) of the A Level in that subject in the November 2020 or June 2021 series, and receive an A Level grade based solely on their performance in A2\*. In other words, we will consider that a candidate with an AS Level grade from June 2020 has met the requirement to complete the AS Level stage before obtaining an A Level grade. Candidates who withdraw from the June 2020 series will not have this option."*

Source: <https://www.cambridgeinternational.org/news/news-details/view/update-for-cambridge-schools-on-june-2020-series-22-april-2020/>

Students will receive a grade this year but no mark will be calculated and added to the second year of A Level. This year group's final A Level grade will be created from the second year's work only.

Those students who are concerned that a poor performance in this past year's AS mock exam or class tests can rest assured that these will not affect their final A Level result.

Mr Peter Giddens

Principal
