Dear Parents,

## Educational cum Excursion Foreign Trip

We are pleased to announce that Sadiq Public School is proudly resuming its tradition of organizing Educational cum Excursion Trips for the students. These trips are designed to provide a unique blend of academic enrichment and cultural exposure, helping students grow beyond the classroom in a global setting.

This initiative aims to give students an opportunity to explore new countries, interact with diverse cultures, and most importantly, visit some of the world's renowned international university campuses. These campus visits will allow students to gain valuable insights into international higher education options and receive focused career counseling to help them plan a better future.

This well-rounded experience is intended to enhance students' global perspective, personal development, and social interaction.

Proposed Destinations for Summer 2025:

- United Kingdom (UK) (London, Manchester, Edinburgh)
- Malaysia (Kuala Lumpur, Genting Highlands, Langkawi Island)
- Turkiye (Istanbul, Cappadocia, Pamukkale)

Each destination will offer an enriching itinerary that balances university exposure with cultural visits and group learning activities.

Please note:

- A minimum of 10 students is required for the trip to a specific destination to proceed.
- The last date to express interest in participating is June 28th, 2025.
- Parents are requested to either email their consent at principal@sps.edu.pk or call the relevant Head of Section offices before the deadline to confirm participation and preferred destination. This will help the school provide you with detailed financial and logistical information.

We look forward to your support in providing our students with this valuable educational opportunity.

Yours sincerely,

Mian Muhammad Ahamd  
Acting Principal
