The School

His Highness Sir Sadiq Muhammad Khan Abbasi, the Ameer of Bahawalpur, laid the foundation stone of Sadiq Public School on 4th March 1953, provided 450 acres of land and financed the entire construction. His Chief Minister, Makhdoomzada Hassan Mahmud, supervised the project.

On January 18th, 1954, His Highness Sir Sadiq Muhammad Khan Abbasi inaugurated the School with 37 students and 7 teachers. The initial structure consisted of the Main Academic Block, 2 Boarding Houses and 5 Staff Houses with Khan Anwar Sikandar Khan as the first Principal. Sadiq Public School began as an institution for girls and boys. In the next two years, one swimming pool, a hospital and 12 staff houses were built by the Public Works Department.

In 1957, the first batch of students appeared, for Senior Cambridge. In 1958 students appeared for Matriculation and in 1966 for Intermediate and in 1994 students appeared for Cambridge A Levels.

In 1966 the admission of girls was stopped. A separate Girl's Section started in May 2003 with 9 girls and has since grown to more than 700 girls with 120 boarders. The new academic building for girls, donated by His Royal Highness the ruler of Abu Dhabi and President of UAE, was completed on July 25th, 2008 for girls classes (Class 6 to 12). Lessons for girls in the new building began on October 6th, 2008.

Today, Sadiq Public School is the embodiment of its Founder's vision - a school providing an outstanding public school education to students not just from the Bahawalpur region, but from all over Pakistan. The School's facilities as well as the environment are good but a major programme of development is now underway. The opportunities for students are unlimited. The curriculum is based on the 5-pointed star of the School's emblem: discipline, academics, sports, clubs, societies, and community service.

Sadiq Public School students gain admission to the world's best universities and make strong and valued contributions to their beloved Pakistan.

Significant investment has taken place in recent years to modernise boarding and redevelop parts of the site. The School has an ambitious estates development plan which will see further investment in the next three years.
